AMENDMENT

Commissioner for Patents
Washington, DC 20231

Sir:

The following Amendment and Remarks are submitted in response to the Office
Action dated October 7, 2002.

IN THE SPECIFICATION:

Please amend the paragraph beginning at page 23, line 10 as follows:

The attachment device 250 can also include a receiver 256 to which other portions of the target system 200, such as the target body (not shown) and point definer 214 are attached. The receiver 256 can also include a reference feature 258 that, when used in conjunction with the point P of the point definer 214, defines the position of the attachment device 250 relative to the point P and therefore also defines the position of the attachment device 250 relative to [he] the target body. The connector 252 and the reference feature 258 are at a known positional relationship to each other. As such, the
